LifeVantage Distributor Christine Clifford Beckwith after only 60 days using the ANTI-AGING CREAM 2 times daily.*

"As a 14+ year cancer survivor who lost my estrogen many years ago, and a 55-year-old woman, I have tried every product—including the most expensive ones on the market—to help improve my skin. It wasn't until I started using TrueScience that I have had visible results. I'm beyond thrilled." —Christine Clifford Beckwith, Minneapolis, Minnesota

TRUESCIENCE™

- Noticeably **diminishes** fine lines and wrinkles
- **Stimulates** skin renewal for collagen synthesis
